

GERMAN, FOUNDATIONAL COURSE

Module 1: Everyday German & Essential Grammar

Focus: Foundational vocabulary, sentence structure, and basic conversations

- Learn how to introduce oneself, greet others, and ask simple questions
- Understand and use key verbs like sein and haben in real contexts
- Build vocabulary for family, home, school, and daily routines
- Practice prepositions and word order through fun, hands-on activities
- Develop confidence in speaking full sentences from the start

Module 2: Real-Life Communication Topics

Focus: Functional vocabulary and grammar for everyday use

- Explore topics like food, weather, shopping, and animals in German
- Use modal verbs like können to express ability and preferences
- Practice describing nature and seasons using adjectives
- Engage in interactive role plays to apply language in practical situations
- Strengthen understanding of accusative case and time expressions

Module 3: Practice, Projects & Revision

Focus: Creative expression, reinforcement of grammar, and skill application

- Review core grammar through quizzes, games, and group activities
- Create a "My Family" booklet and Dream House presentation
- Reinforce reading and writing through fun worksheets and texts
- Learn German through songs, classroom games, and peer interactions
- Build presentation skills in a supportive, low-pressure environment

Module 4: Fluency & Final Showcase

Focus: Communication fluency, integration of skills, and public speaking

- Practice real-world dialogues and roleplay common social situations
- Improve listening comprehension through short, themed audio tasks
- Take mock assessments to check progress in a fun, encouraging way
- Design and present a poster project on favorite animals or hobbies
- Conclude with a certificate ceremony and student showcase
